Support the Planned Parenthood of Nassau County Action Fund!

As the political arm of Planned Parenthood of Nassau County, the Action Fund engages in educational and electoral activity, including voter education campaigns, grassroots organizing, and legislative advocacy. There's so much to do this year, and your support is fundamental to our success. We're relying on the generous support of individuals like you who share our commitment to protecting reproductive rights and access to birth control.

Your support today will help to ensure pro-choice policies and legislation as well as the election of candidates that will work to protect and promote reproductive freedom and health.

The Planned Parenthood of Nassau County Action Fund (PPNCAF) exists to ensure that elected officials support policies and programs that help women and their families make responsible choices about family planning and reproductive health.
